12.4.3 Provided that GTCS is satisfied that there are no unresolved (or pending) matters relating to the Registrant that are (or will likely be) subject to its fitness to teach procedures, a Registrant's name may be removed from the Register by GTCS at such time as it sees fit where he/she:

- (a) has failed to pay any registration fee due to GTCS;
- (b) has failed to notify GTCS within 3 months of any change in their name or contact address without just cause;
- (c) fails, when requested by GTCS so to do, to evidence to GTCS's satisfaction that he/she is (as required by rule 6) participating in a system of ongoing professional learning and professional review and development in accordance with the terms of GTCS's Guidance on Professional Update; or
- (d) holds provisional or provisional (conditional) registration and has not gained full registration and/or met the condition(s) specified on or before expiry of the time limit prescribed by GTCS for doing so.

Where there is an unresolved (or pending) matter relating to the Registrant that is (or will likely be) subject to GTCS's fitness to teach procedures, the Registrant may be retained on the Register to the extent required for that process to be concluded.

12.4.4 A Registrant's name will immediately be removed from the Register on GTCS receiving notice that the Registrant is barred from regulated work with children in terms of the Protection of Vulnerable Groups (Scotland) Act 2007 (and any related legislation).

12.4.5 A Registrant's name may be removed from the Register by order of a Fitness to Teach Panel in accordance with the Fitness to Teach and Appeals Rules (or the relevant historic equivalents).

Where such an order is made, a note will be made on the Register to disclose the removal and the reasons for that removal.

12.4.6 Where a complaint that relates to a person's activities while they were included on the Register enters GTCS's fitness to teach process within 2 years of his/her removal from the Register in terms of this rule 12.4, GTCS may reinstate that person to the Register in order (and to the extent) that the complaint may be duly processed in accordance with the Fitness to Teach and Appeals Rules in the public interest.

12.4.7 Where a Registrant is removed from the Register, and is known by GTCS to be employed in an educational establishment, GTCS will notify the relevant employer of the removal.

GTCS separately. Where the Registrant is registered in more than one part of the Register, the registration fee will be payable in respect of one part only.

13.2.2 The annual registration fee payment date will be prescribed and published by GTCS separately. Once paid, the registration fee is non-refundable.

13.2.3 GTCS will prescribe and publish separately when, and in what circumstances, employers must deduct amounts in respect of registration fees from a registrant's salary payment and remit those amounts to GTCS.

### **13.3 Other Fees**

GTCS may charge other fees in connection with the award of standards, certificates or other matters as it reasonably sees fit. Any such fees will be prescribed and published by GTCS separately.

### **13.4 Waiver of Fees**

GTCS may choose to waive any fees to be charged to a Registrant where that Registrant has been prevented from having his/her name removed from the Register (or has been reinstated to the Register) because there is an unresolved complaint relating to them that is subject to GTCS's fitness to teach procedures.

The teacher education must have been undertaken at an institution that is recognised by UK NARIC and must have borne the equivalent of SCQF credit points at SCQF level 9 (or above).

- include school-based teaching experience.

##### 1.2 Academic Education Requirements

There is a separate academic education requirement for registration in the primary school sector of registration only where an applicant has not undertaken a combined academic and teacher education programme in accordance with paragraph 1.1 above. Where such a combined academic and teacher education programme has **not** been undertaken, the academic education requirement is as set out below.

An applicant must hold a United Kingdom degree or an academic qualification which is equivalent to a United Kingdom degree. An academic qualification will be regarded as equivalent to a United Kingdom degree if it has been undertaken at an institution that is recognised by UK NARIC and either:

- (i) is recognised as equivalent to a United Kingdom degree by UK NARIC; or
- (ii) has borne the equivalent of 120 credit points at SCQF level 7 (or above), 120 credit points at SCQF level 8 (or above) and 120 credit points at SCQF level 9 (or above) and if evidence is produced to GTCS to satisfy it as such.

#### 2. Secondary

##### 2.1 Teacher Education Requirements

For registration in the secondary school sector, an applicant must have either:

- completed teacher education equivalent to one academic year of full-time study (with any part-time study normally being extended over a period of not more than 3 years); or

---

The teacher education must have been undertaken at an institution that is recognised by UK NARIC and must have borne the equivalent of SCQF credit points at SCQF level 9 (or above).

The teacher education completed must be subject specific and correlate to the subject (or subjects) in which academic education has been completed in terms of paragraph 2.2 below.

The organisation and content of the teacher education undertaken must be broadly comparable to the Scottish pattern. This will be evaluated with reference to the Guidelines for Initial Teacher Education Programmes in Scotland. Secondary teacher education should:

- relate to the 12 to 18 year pupil age range;
- include professional and pedagogic studies;
- include appropriate subject studies; and
- include school-based teaching experience.

## **2.2 Academic Education Requirements**

The academic education requirements for registration in the secondary school sector are set out below.

- (a) An applicant must hold a United Kingdom degree or an academic qualification which is equivalent to a United Kingdom degree. An academic qualification will be regarded as equivalent to a United Kingdom degree if it has been undertaken at an institution that is recognised by UK NARIC and either:
  - (i) is recognised as such by UK NARIC; or
  - (ii) has borne the equivalent of 120 credit points at SCQF level 7 (or above), 120 credit points at SCQF level 8 (or above) and 120 credit points at SCQF level 9 (or above) and if evidence is produced to GTCS by the applicant to satisfy it as such.
- (b) An applicant must have a minimum of the equivalent of 80 SCQF credit points at SCQF level 7 (or above) relative to the subject for which the applicant's teacher education is held, the equivalent of 40 of which must be at SCQF level 8 (or above).
- (c) Credit from a masters level degree or doctoral programme may be considered in terms of the above provided that evidence is produced to GTCS by the applicant to satisfy it that it is of direct relevance to the subject for which the applicant's teacher education is held.
- (d) An applicant must meet any specific requirements (academic or otherwise) published in the Memorandum on Entry Requirements for Courses of Initial Teacher Education in Scotland relative to the subject for which the applicant's teacher education is held or, for any secondary school subject that is not covered by that Memorandum:

The organisation and content of the teacher education undertaken must be broadly comparable to the Scottish pattern. This will be evaluated with reference to any guidance issued by the Scottish Government on programmes in Scotland that lead to a teaching qualification in the further education sector (and any other relevant or related guidance). The teacher education should, in particular:

## Schedule 3

### Panel Procedures

#### 1 Objective

- 1.1 This Schedule 3 has the overriding objective of enabling panels to deal with cases fairly and justly.
- 1.2 Dealing with a case fairly and justly includes dealing with the case in ways which:
  - (a) are proportionate to the complexity of the issues;
  - (b) seek informality and flexibility in proceedings;
  - (c) seek to ensure that parties are able to participate fully in proceedings; and
  - (d) avoid delay, so far as compatible with the proper consideration of the issues.
- 1.3 Panels will give effect to this overriding objective when interpreting and applying this schedule.

#### 2 Notice

- 2.1 Notice will be provided to the Respondent no fewer than 21 days before the date on which his/her case is to be considered. This notice period may be reduced if the Respondent consents.
- 2.2 The Notice will specify the date on which the case will be considered. If a hearing has been arranged in the case, the Notice will also inform the Respondent:
  - (a) of the time and venue of the hearing;
  - (b) that they have the right to attend the hearing and be represented;
  - (c) that they have the right to make representations at the hearing; and
  - (d) of the right of the panel to proceed in his/her absence.
- 2.3 Any Notice that requires to be served in terms of this schedule will be served either by:
  - (a) post in which delivery or receipt is recorded;
  - (b) hand delivery by or on behalf of GTCS; or
  - (c) electronic mail to the address held by GTCS for the Respondent.

Alternatively, if the Respondent is represented by a solicitor or trade union/defence organisation and has informed GTCS that they may be used as an address for communications, the notice may be served instead to that party using any of the methods outlined above.
- 2.4 Notice will be taken to have been served on the day after posting, on the day of hand delivery or on the day of electronic mailing.
- 2.5 The service of the Notice may be proved by:
  - (a) confirmation of posting issued by or on behalf of the Post Office (or other postal operator or delivery service);
  - (b) a signed statement from any person serving the notice by hand or by electronic mail; or
  - (c) confirmation of receipt by (or on behalf of) the Respondent.
- 2.6 Where, before a hearing begins or at any stage of a hearing, it appears that a Notice is defective the panel will, on cause shown, allow the Notice to be amended. If the panel considers that the nature of the amendment is such as to require that the amended Notice should be re-served on the Respondent, it will so direct and the hearing shall be postponed or adjourned accordingly.

- 
- 2.7 A Respondent who appears at any hearing will not be entitled to state any objection to the regularity of the execution of service or intimation of the Notice on him or her, and his or her appearance will remedy any defect in such service, intimation or Notice.

### **3 Evidence**

- 3.1 The Respondent must submit any information that he/she wishes the panel to consider no fewer than 14 days before the date on which his/her case is to be considered.
- 3.2 Copies of all of the information submitted to the panel that are to be considered by it as part of determining the case will be provided to the Respondent (and may also be provided to other parties concerned with the case) no fewer than 7 days before the date on which the case is to be considered.
- 3.3 The panel may admit and consider any information (oral, documentary or other) from any party that it considers relevant to its determination of the case. The panel may *itself* (acting through the Servicing Officer as is seen fit) ask any person to provide information that it considers relevant and may then admit and consider that information in determining the case.
- 3.4 The panel may admit and consider information where such information has not been disclosed in advance in accordance with the provisions set out above where either (i) the Respondent consents to this; or (ii) the panel is satisfied that the admission of the information is necessary to ensure the fairness of the proceedings and, where there is possible prejudice to the Respondent, that this is outweighed.
- 3.5 Where facts advanced in a case are in dispute, the burden of proving such facts rests with the party advancing those facts and the required standard of proof will be on the balance of probabilities.

### **4 Consideration of Cases by Written Submission or Hearing**

- 4.1 Unless the panel determines that a hearing should be arranged in a particular case, it will consider cases by means of written submission.

Where a case is considered by written submission, a panel will conduct its proceedings as it sees fit.

- 4.2 Where a case does not fall to be considered by means of written submission in terms of the above, a hearing will be arranged and will be conducted in terms of paragraph 5 below.

### **5 Hearing Proceedings**

- 5.1 Unless the Respondent requests that the hearing be held in public, the hearing will be conducted in private and no-one may be present save from the parties to proceedings, those involved in administering proceedings and those person(s) that have been asked or permitted to attend the hearing by the panel.
- 5.2 Where a hearing is held in public, the panel may, of its own volition or upon the application of any witness or party, determine that the public be excluded from all or part of the proceedings where they consider that this would cause no prejudice to the Respondent.
- 5.3 The panel may exclude from the whole or any part of a hearing, any person whose conduct, in the opinion of the panel, has disrupted (or is likely to disrupt) the hearing.
- 5.4 Where good cause is shown, the panel may adopt such measures as it considers necessary to enable the Respondent or his/her representative to appear at, and participate in, the hearing. These measures may include, but are not limited to, the use of video links; telephone conferencing; and the use of interpreters.

- 
- 5.5 Where the Respondent is neither present nor represented at the hearing without any known good cause, the panel may proceed to determine the matter in his/her absence provided that it is satisfied that notice of the hearing has been duly served or that all reasonable efforts have been made to do so. Should the panel proceed in this way, it may conduct proceedings as it sees fit.
- 5.6 Unless the panel determines otherwise as the circumstances may require, following the general introduction to proceedings by the Convener, the order of hearing proceedings will be as follows:
- (a) the Convener will ask the parties present, or their representatives, to identify themselves;
  - (b) the Convener or Servicing Officer of the panel will outline the case;
  - (c) the Respondent (or representative) will make his/her submission;
  - (d) the panel will be invited to question the Respondent;
  - (e) where the panel see fit, the panel will seek information from any other person and will question them accordingly;
  - (f) the Respondent (or representative) will be invited to provide any concluding remarks;
  - (g) any Legal Assessor participating in proceedings will be invited to provide the panel/committee with advice on any applicable law or procedure;
  - (h) the panel will make their decision; and
  - (i) the decision will be announced to those present.
- 5.7 Hearing proceedings may be adjourned, and the panel may consider matters in private, at any time.
- 5.8 In any such private session, only the Servicing Officer, any appointed Legal Assessor and members of the panel may be present. The Servicing Officer and Legal Assessor will not take part in any decision making. Any procedural (or other) advice provided by the Servicing Officer and/or Legal Assessor will be repeated in the resumed hearing session.
- 5.9 The panel may itself, or upon the application of any party, postpone a hearing provided that there is good cause for so doing.
- 5.10 The Respondent will be informed as soon as reasonably practicable when a hearing will be resumed or will be notified of a re-scheduled date.
- 5.11 Hearing proceedings will be recorded. An electronic copy of the recording will be made available to the Respondent on request.

## **6 Decision**

- 6.1 Where appropriate in the particular case circumstances with reference to the relevant criteria set out elsewhere in these Rules, the panel may:
- (a) Grant or renew professional recognition;
  - (b) Award the Standard for Headship;
  - (c) Cancel professional recognition;
  - (d) Refuse an application for professional recognition or the Standard for Headship; or
  - (e) Grant or refuse provisional or full registration in part or parts of the Register.

---

Where the panel:

- (a) refuses an application for professional recognition;
- (b) cancels professional recognition,

it may also direct that the person be prohibited from submitting a second or subsequent application within a specified period of time (which will be not less than one year from the date of the panel decision).

- 6.2 Notice of the decision of the panel (including reasons for that decision and confirmation of any right of appeal) will be sent in writing to the Respondent within 14 days of the date on which his/her case was considered.
